My Job Board Job Posting Network

Do you have an information-only careers page on your website? Many job seekers expect to be able to find relevant jobs and apply directly from your site. With My Job Board you can promote jobs directly from your site, with no setup required.

Example of My Job Board:

A screenshot of the Axiom Learning job board. At the top is the Axiom Learning logo. Below it is a heading 'Join Our Winning Team!' followed by the subtext 'Start Your New Career Today!'. There is a search bar with a magnifying glass icon and the text 'Search for Jobs'. To the right of the search bar are two dropdown menus labeled 'Select Location' and 'Select Category', and a blue 'Search' button. Below the search bar, it says 'Showing 1 - 6 of 6 jobs'. The main content is a table with four columns: 'Role', 'Location', 'Category', and an unlabeled column for 'Apply Now' buttons. The table lists four job openings, all for 'Teaching/Training' roles in various locations (Menlo Park, CA and Wellesley Hills, MA).

Role	Location	Category	
Full Time Academic Skills Tutor	Menlo Park, CA	Teaching/Training	Apply Now
Full Time Academic Skills Tutor	Wellesley Hills, MA	Teaching/Training	Apply Now
Full Time Math and Science Tutor	Los Altos, CA	Teaching/Training	Apply Now
Part-Time Academic Skills Tutor	Menlo Park, CA	Teaching/Training	Apply Now
